

## RALLY DAY AT TRINITY

A Great Reunion Was Held  
There Sunday.

### OLDER MEMBERS MEET

Recollections of Long Ago Are Brought  
Back—The Sunday-School Reunion.  
Interesting Addresses Are  
Made.

Sunday morning a great rally of the Sunday-school members and also of the older members of Trinity Church was celebrated. It was a great day in the history of the mother Methodist Church of the city.

Mr. C. P. Walford, the efficient superintendent of the Sunday-school, had arranged an excellent programme, consisting of music, addresses and an excellent "black-board chalk talk," especially for the children. Invitations had been issued to all the former members of the school who could be located, and quite a goodly number heartily responded to the call.

The music, under the direction of Professor Mitchell, proved a great addition to the memorable occasion, the school having prepared beautiful hymns most appropriate, among them, one of the "old-timers" from the hymnal, which was joined in with great feeling by young and old.

"The chalk talk," by Rev. Mr. Furman, a visiting minister, was truly great. He illustrated his fitting remarks by real artistic drawings. The pictures were greatly enjoyed by all, but especially by the children.

Captain Frank Cunningham sang "Let Thy Blessing Fall On Me," Mr. Ernest Turner accompanying him with the piano. The Sunday-school sang several selected pieces, led by Professor Mitchell.

The singing was inspiring, young and old joining with hearts and voices.

Rev. G. H. Spooner dismissed the school, and invited the children, one and all, and all the visiting friends to the services in the auditorium. This service was particularly for the old members who had come to the rally at the call of the school. The large church was full and many of the congregation were those who an olden times had been members of old Trinity.

It was a sweet, sad service. The talks of Dr. Keese, Captain John Lamb, Mr. J. S. Lear, Mr. R. L. Christen, Mr. T. W. Davis and many others of the older ones, were sad, and at the same time, most highly interesting. They gave the younger ones some idea of the time when they were in the Sunday-school in days past; they called to mind many of the sainted members of this old church who have "passed over the river," and of whom she has just cause to be proud.

The choir rendered well several selections, giving an added charm to the rest of the exercises. Mrs. W. L. Bailey sang sweetly a lovely solo, rendering it in the artistic manner for which she is noted.

Mr. Spooner had prepared a short sermon, but so much interest was manifested in the talks of the visitors, and so much were they enjoyed that the time was taken up before he preached. He

very gladly and gracefully submitted, and said he could preach another time.

This day will long be remembered by those who were fortunate enough to be present, and will serve to illuminate the page of Trinity's history on which it will be recorded.

### THE COMING CARNIVAL

The Gaskill-Mundy-Levitt Company to Be the Feature Here.

The Gaskill-Mundy-Levitt Carnival Company will furnish the amusement features of the coming big carnival in this city, and which will bring here a fine aggregation of high class shows. There will be about twenty paid attractions. The free acts are ten in number and are given in the center of the midway, where all can see them free of charge.

The show travels on its own special train of twenty cars, and since it started out on the road, in May last, during which tour it has visited many of the leading cities of the country, it has had unprecedented success.

The best is none too good, and for that reason the local committee, which is putting the coming carnival on, selected this combination show as the star feature of the fair event for their fall carnival, which will be held at the base-ball park commencing October 7th and continuing until the 17th, inclusive.

### THE CITY COMMITTEE IS TO REORGANIZE

The City Democratic Committee, embracing the newly elected members chosen in last week's primary, will assemble at Murphy's Hotel Thursday evening to reorganize the committee for the ensuing year. It is conceded that City Chairman James B. Doherty will be named again as chairman without opposition. Mr. Doherty has made a faithful and efficient chairman and is absolutely fair as a presiding officer.

Unless notice of a contest be filed before Thursday evening the records of the primary will be destroyed, having fully served their purpose. There are several new members of the committee who will take their seats, replacing members who retired.

Best known and most valuable members of the committee, is among those who retired, he having removed from the ward he formerly represented.

## KICK AND SCREAM

Baby's Awful Suffering from Eczema.  
Could Not Hold Her. Would  
Tear Her Face and Arms.

### CURED BY CUTICURA

"When my little girl was six months old, she had eczema. We had used cold creams and all kinds of remedies but nothing did her any good, in fact she kept getting worse. I used to wrap her hands up, and when I would dress her, I had to put her on the table for I could not hold her. She would kick and scream, and when she could, she would tear her face and arms almost to pieces. I used four boxes of Cuticura (Ointment), two cakes of Cuticura Soap, and gave her the Cuticura Resolvent, and she was cured, and I see no traces of the humor left. I can truthfully say that they have saved her life, and any one suffering as she did, I should advise them to give Cuticura a fair trial."

Feb. 7, 1898. Mrs. G. A. CONRAD, Lisbon, N. H.

### SIX YEARS AFTER

of this city. The nominees accepted and made speeches after which the body adjourned until Wednesday evening at the same hall when a nominee for the House from the county will be chosen. Efforts have been making for some months to form the nucleus of a socialist party in this city, and in this connection one of the national organizers of the party recently made several addresses here.

#### To Go West.

## GET TO WORK AGAIN TO-DAY

Promise of Some Spicy Times  
in Henrico.

### THE INVESTIGATION TODAY

Charges that Will Be Made and the Line of Defense that Will Be Adopted—Get Through With Brauer Case To-Day.

Another day of investigation into the alleged frauds and irregularities in connection with the recent primary will be begun this morning by the Democratic committee of Henrico county.

The session of the committee will begin at 10 o'clock, and gives every promise of being a lively and interesting one. The Brauer-Holloway case will be resumed and some further sensational specifications will be gone into. The evidence will probably be decidedly spicy. The case will doubtless be concluded to-day, and if finished in time will probably be followed immediately by the Throckmorton-Kendall case.

#### THE CASE TO-DAY.

The case to-day will hinge upon the following charges that will be made: That about one week before said primary said Brauer visited the saloon of Washington Bottoms, at Thirtieth and P Streets, near Hardin's Shop precinct, and treated to drinks and cigars several voters at said precinct, intending thereby to influence their votes.

That for four or five weeks prior to said primary election said Brauer's son-in-law, Hugh Davis, a friend and adherent of said Brauer, visited said saloon every Saturday afternoon and treated to drinks and cigars, crowds of voters who frequented said bar-room, with intent to influence them in said Brauer's behalf, with his knowledge and consent.

That a short time before said primary said Brauer approached one J. T. Grubbs, a supporter of the petitioner, and a voter at Carter's Precinct, in said county, and requested him to stay away from the primary, promising to pay him \$50 if he would do so, and at the same time stating that he had got a good many others to stay away from the said primary who intended to vote for petitioner.

That on the day of said primary said Brauer, at Shumaker's Precinct, in said county, was seen to give a Mr. Mann, who was a friend and adherent of his, and voter and worker at said precinct, a sum of money amounting to \$15 or \$20.

That Henry Holloway, a voter and worker at Howard's Grove Precinct, was paid the sum of \$10 for his services in working for the said Brauer in the primary on the 23rd day of September, 1903.

That one Ed. McBride, a voter at Hardin's Shop Precinct, in said county, was paid the sum of \$10 for his services and use of his buggy on day of primary election.

That one Ed. Gordon, a voter at Hardin's Shop Precinct, in said county, was paid \$20 for his services and use of his wagon in working for said W. H. Brauer at said primary.

That one Ed. Gordon, further declares that he stands ready if the committee deems it necessary, to cite other instances of the violation of the law, and to produce evidence to sustain the same.

#### THE DEFENSE.

The line of defense to be made by Mr. Brauer is indicated by the following specific answers to the charges brought:

Your respondent denies the statement contained in the third paragraph of said amended answer. He admits that he visited the saloon of the said Washington Bottoms some two weeks before the holding of said primary election, and whilst there invited several citizens of the county of Henrico to join him in a drink, whether they were all duly qualified voters of said county at that time, your respondent does not know or inquire. Your respondent emphatically denies that such invitation was intended to influence the votes of said citizens, and has too much regard for the citizens of Henrico county to believe that such courtesy could be the price of their suffrages. On the contrary, he recalls that one of the gentlemen invited to drink with him—a Mr. Weiss—stated at the time that he was a supporter of Mr. Hechler's, and declined to accept the invitation on that ground. Your respondent replied that he was making no such distinction among those to whom he extended the invitation, and, thereupon, Mr. Weiss and Mr. Hancock, a supporter of Mr. Todd, joined the party in taking a drink.

As to the specification contained in the fourth paragraph of the amended petition, your orator says that, with the facts of the case, if they are facts, for the first time through said petition. It is true that Mr. Davis referred to is his son-in-law, but if he visited Mr. Bottom's saloon every Saturday afternoon and treated as stated in the fourth paragraph, crowds of voters with the intention to influence their vote, he did it without the knowledge of your respondent, and your respondent never gave Mr. Davis a single cent to spend for that purpose. Your respondent calls attention to the affidavit of Mr. Davis in this regard.

As to the statement contained in the fifth paragraph of the amended petition, your respondent denies that he ever made such a promise as therein charged to Mr. J. T. Grubbs, or ever made threat to do so. Mr. Grubbs, your respondent did meet at the saloon of the said Brauer on one occasion and asked him for his support. Mr. Grubbs replied that he had promised to vote for Mr. Hechler, but did not expect to go to the polls. Your respondent replied: "Well, if you can't vote for me, don't vote against me." Immediately thereafter he and Mr. Grubbs parted, and he had no other or further conversation with him up to the present time.

As to the sixth charge made in the sixth paragraph of said amended petition, your respondent admits that on the day of the primary at Shoemaker's Precinct, in said county, he did give Mr. Mann, a friend and adherent of his and a voter and worker in said precinct, a sum of money, which sum was \$10, and not \$15 or \$20. He gave this sum of money in open day, in the presence of all persons around the polls, because Mr. Mann stated that his mother had asked him to get changed for a \$10 bill. Your respondent replied that he could change it, and thereupon gave Mr. Mann five two-dollar bills, receiving the ten-dollar bill of Mr. Mann's in exchange. If this be bribery and violation of the Barksdale law, the contestant is at liberty to make the most of it.

As to the eighth paragraph of said amended petition, your respondent says that though it is stated therein that Mr. Henry Holloway, a voter and worker at Howard's Grove Precinct, was paid the sum of \$25 to work for the said Brauer in said primary election, it is nowhere alleged that your respondent or your respondent's friends, with his knowledge and consent, paid Holloway said sum of money. Your respondent admits, however, that neither he nor his friends, with his knowledge and consent, ever paid Mr.
